MESSAGE

On behalf of the Executive Committee of the Bahrain Society of Chemists (BSC), and its members, I would like to extend an invitation to your esteemed organization, to actively participate by sponsoring our upcoming 1st International Chemical Safety Conference and Exhibition event, which will be held during the period of April 27-30, 2025, in the Kingdom of Bahrain. This conference will attract keen interest from the major stakeholders in the region including academic institutions, oil and gas companies, and government organizations. This event is also a great opportunity for suppliers and vendors to showcase their products and services and network with the attendees. I do encourage you to actively participate as a sponsor of this great event and benefit from the many opportunities for your staff to learn, discover, and interact with their peers. It will be my pleasure to discuss the various ways in which you can participate, at your convenience.

Conference Director

MESSAGE

On behalf of the Conference Organizing Committee, I would like to invite your organization to sponsor our upcoming 1st International Chemical Safety Conference And Exhibition "CHemSafe" during the period of April 27-30, 2025 at the Kingdom of Bahrain.

This event brings together professionals, subject matter experts and HSE leaders from Oil & Gas companies, government organizations, professional bodies, aluminum sectors and academic institutes to share knowledge, experience, perspective, insights and innovative ideas to meet the current and increasingly growing chemical safety HSE challenges. It is expected that this international conference will attract participation from all around the globe. Being a sponsor of this event, your organization will be offered a spacious booth to showcase your organization HSE excellence and services as well as other benefits highlighted in this brief guide. We invite you to make the most of these sponsorship opportunities. Our Sponsorship And Marketing Committee and myself will be more than happy to discuss your participation at your convenience.

Mr. Ali Hasan
Conference Director

ChemSafe

Introduction

The Bahrain Society of Chemists (BSC) is an independent nonprofit professional organization. The BSC's mission is to advance the broader chemistry enterprise and its practitioners for the benefit of society and kingdom of Bahrain.

Our vision is to improve the chemists' knowledge and skills through the transforming power of chemistry.

The Bahrain Society of Chemists (BSC) was established in 1992 and has held several conferences and technical meetings in the Gulf region. These events have attracted many international speakers, a variety of exhibitors and many attendees. The broad range of subjects addressed, the sharing and dissemination of knowledge, and the resulting discussions made previous conferences a recognized success.

Conference Objectives

The ChemSafe 2024 Conference & Exhibition aims to achieve the following objectives:

1. Highlight the Innovation and Environmental challenges facing industry and society worldwide and in the Middle East.
2. Share innovative solutions to address these challenges.
3. Present an opportunity to network with other experienced professionals working in relevant fields.
4. Demonstrate the latest Environmental Safety products and services in the region.

- Water Treatment
- Health and Environment

Innovation in Environmental Safety

- Industry 4.0 (Fourth Industrial Revolution)
- Solar farms applications
- Mangroof Mangrove Farms Treatment
- Innovation in Analytical Chemistry Equipment
- Innovation in Personal Protective Equipment

Marketing & SPONSORSHIP

Leading companies and consultants in the oil, gas, Chemicals, Aluminium, petrochemical and other industries have expressed their support for this event. This support is provided because these organizations and individuals believe that Chemical Safety issues are of significant importance in this region.

Both the conference and the exhibition provide a great opportunity for networking. The conference sponsors will enjoy direct access to potential and existing clients from their target market. Significant emphasis is placed upon the quality of the conference program that will attract key Safety, Chemistry, and Environment professionals from the region. This plays a crucial role in ensuring that the people you meet at the event are the people important to your business.
